

HAUNTED HOUSE TREAT BOX

HAUNTED HOUSE TREAT BOX Assembly Instructions.

WHAT YOU'LL NEED: Scissors, Elmer's glue (or a glue stick), and a ruler or other straight-edge. A black marker is optional. You might also need clear tape to keep the box closed after treats are placed inside (or you can tie the box closed with a ribbon or string).

ASSEMBLY: Cut out the Haunted House. Fold the six dark gray tabs (with dots) **DOWNWARD**. Fold the three light gray tabs **DOWNWARD**. Fold the two roof panels **DOWNWARD**, fold the bottom panel **DOWNWARD**, and then fold **DOWNWARD** between all four side panels. If you want, you can now use a black marker to get rid of the blue line on the roof.

Glue the tab with a green dot to the opposite panel, as shown in Figure 1.

Glue the two tabs with yellow dots to the roof, and then glue the three tabs with red dots to the roof, as shown in Figure 2.

Fill with candy or other treats, and close the bottom as shown in Figure 3.
